APPENDIX V.

RESOLUTIONS.

(*a*) Resolutions on the Budget.

Mover.—MR. HOSAKOPPA KRISHNA RAO.

11. This Assembly recommends to Government that the policy of making larger provision for the improvement of cities at the sacrifice of town and village areas should no longer be continued.

12. This Assembly recommends to Government that it should be laid down in no ambiguous terms that no appropriation of surplus revenue of the State shall be made except for projects of public utility.

13. This Assembly recommends to Government that it will be pleased to contribute a sum of Rs. 25,000 as a State grant towards Gandhi Khadi Fund which is being effectively organised in the State and that necessary provision therefor be made in the Budget.

14. This Assembly recommends to Government for making larger provision for the propagation of Khaddar industry in the State.

15. This Assembly recommends to Government the necessity for making larger provision than has been provided for carrying out Malnad Improvement Works.

16. This Assembly recommends to Government the necessity for making a larger provision than has been provided for in the Budget under the head " Grants to Village Panchayats."

17. This Assembly recommends to Government the necessity for making a larger provision than has been provided in the Budget for the supply of medicines to hospitals.

18. This Assembly recommends to Government the necessity for making suitable provision in the Budget to take necessary initiative to start the long-promised Land Mortgage Banks.

19. This Assembly recommends to Government the necessity for making larger provision than has been provided in the Budget for the expansion of Primary and Middle School education in the State.

20. This Assembly recommends to Government the necessity for making provision in the Budget for making subventions to District Boards to enable them to discharge their legitimate duties.

21. This Assembly recommends to Government the necessity for making larger provision in the Budget for the encouragement of Ayurvedic and Unani system of medicines in the State.

22. This Assembly recommends to Government the necessity for making larger provision than has been provided for in the Budget for making liberal grants for town improvements.

23. This Assembly recommends to Government the necessity for making larger provision than has been provided for in the Budget for the restoration of minor tanks in the State.

Movers:—MESSRS. MOHAMMED ABBAS KHAN, D. S. MALLAPPA and G. PARAMASIVIAH.

24. This Assembly recommends to Government that the amount unspent out of Budget allotment for Education during the year of allotment be re-allotted or made available for expenditure during the succeeding year in addition to the usual grant for Education for that year and that this principle be applied to the unspent balance of the educational grant for the year 1926-27.

25. This Assembly recommends to Government that as long as Incomplete Middle Schools are maintained as part of educational system, the cost of their maintenance be shown separately in the State Budget as heretofore.

26. This Assembly recommends to Government that the allotment for Middle Schools be suitably enhanced so as to enable the conversion of at least 30 Incomplete Middle Schools into Complete Middle Schools during the year 1927-28.

27. This Assembly recommends to Government that necessary provision be made in the Budget for increasing the teaching staff of the Kannada Primary Boys' Schools at least by 100 teachers during the year 1927-28.

28. This Assembly recommends to Government that necessary provision be made for opening a High School in Sagar during the year 1927-28.

29. This Assembly recommends to Government that a suitable grant be sanctioned for the Deaf and Dumb School in the Bangalore City in order to enable the Municipality to open a hostel for the use of students attending that school.

30. This Assembly recommends to Government that the limit of expenditure on Primary Education in the Bangalore Municipality be raised during 1927-28 from one lakh to one and a half lakhs, the contribution payable by the Municipality being one-third of expenditure up to one lakh as heretofore, and one half of extra expenditure over one lakh, as agreed to, by the Municipal Council.

31. This Assembly recommends to Government that an additional grant of Rs. 25,000 be sanctioned for scholarship for Backward Classes other than Depressed Classes.

32. This Assembly recommends to Government that the probable savings of Rs. 9,932 deducted out of the sanctioned allotment for sholarships be restored to Scholarships Fund for Backward Classes other than Depressed Classes.

33. This Assembly recommends to Government that necessary funds be allotted for opening a "Girls' students' Home" in Bangalore with free boarding arrangements for the benefit of girls belonging to Adi-Karnatakas.

34. This Assembly recommends to Government that the allotment of grant for drinking water wells in villages be suitably increased.

35. This Assembly recommends to Government that a sum of Rs. 1 lakh be allotted for the construction of buildings in the city of Bangalore for the use of Primary Schools and that the Municipality be required to pay the prescribed contribution on that behalf.

36. This Assembly recommends to Government that necessary funds be allotted for the construction of a Dhobikhana in the premises of the Victoria Hospital.

37. This Assembly recommends to Government that necessary funds be allotted for maintaining 50 more beds for in-patients in the Victoria Hospital, Bangalore.

38. This Assembly recommends to Government that the allotment for opening new dispensaries in the moffusil stations be increased to Rs. 10,000.

39. This Assembly recommends to Government that the allotment for opening new Veterinary Dispensaries in the moffusil stations be increased to Rs. 10,000.

40. This Assembly recommends to Government that an additional grant of Rs. 50,000 be allotted to Village Panchayats.

Mover.—MR. K. RAME GOWDA, Bowringpet Taluk.

41. This Assembly recommends to the Government of His Highness the Maharaja that, till the financial conditions

of the Village Panchayats improve, a sufficient amount be provided in the Budgets of the next three years and that more funds than are provided for in the current year's Budget be allotted.

42. This Assembly recommends to the Government of His Highness the Maharaja that more funds than are provided for be allotted for the restoration and repairs of minor tanks.

43. This Assembly recommends to the Government of His Highness the Maharaja that more funds be provided for drinking water wells in villages as it is the primary duty of the State to provide for such facilities.

44. This Assembly recommends to the Government of His Highness the Maharaja that more funds be allotted for dispensaries in villages.

45. This Assembly recommends to the Government of His Highness the Maharaja that enhanced grants be allotted in the Budget for grants to District Boards.

46. This Assembly recommends to the Government of His Highness the Maharaja that suitable provision be made in the Budget for propaganda work on technical education in all districts.

47. This Assembly recommends to the Government of His Highness the Maharaja that suitable provision be made in the Budget for establishing travelling libraries in the State.
